195 Gooch Rd,
Clackline WA 6564
Ph/Fax: (08) 9574 1929 Mob: 0427 345 528
E-mail: watkinshorsehandlers@iinet.net.au

Hi,

Firstly, thanks so much for choosing to send your horse to us. We're sure you won't be disappointed in the results.

Please be sure to fill in your email address in the contacts section of our Agistment Agreement if you have one as Rach just loves emailing with photos and progress reports and will do so regularly. If you don't have email then you will get regular phone updates.

On the subject of photos, please be sure to read the section on permission to use photos and/or footage of your horse and sign if you are ok with this. Any footage and/or photos used will only be posted on our website and only in the most positive of ways.

Please read, sign and return our Agistment Agreement before your horse arrives or bring it with your horse when you drop him/her off.

Thanks again and we look forward to working with your horse.

Regards, Rachel and Fred.

Watkins Horse Handlers

195 Gooch Rd,

AGISTMENT AGREEMENT

RISK OF LOSS OR INJURY

While all reasonable and proper care is taken of your horse throughout his agistment, Watkins Horse Handlers shall not be liable for any sickness, disease, accidental injury or death suffered by the horse. You (the owner) agree not to hold Watkins Horse Handlers responsible for any accidental loss or injury to your horse. It is your responsibility to insure your horse against all risks while they are on the property or being transported to and from the property.

VETERINARY INFORMATION

Our local vet is Tanya Ladyman from Waverley Park Vet. If you live locally and would prefer to use another vet that services our area, please nominate that vet in the nominated vet section on Page 4.

If Watkins Horse Handlers becomes aware that your horse is suffering from any significant or noticeable sickness, disease or injury, you will be notified immediately. We will then contact our Vet. In the case of an emergency, if we cannot contact you, we will call the nearest available vet and will continue to try to contact you. You will be liable for all Vet costs.

We ask that your horse be up to date with worming. Your horse can be wormed upon arrival if you are having difficulties with worming. It is your responsibility to drench and regularly vaccinate your horse for tetanus and strangles. Please be sure to read and sign the section on Page 4 about tetanus information.

FARRIER INFORMATION

Our local farrier is Eriks Elmis. If you live locally and would prefer to use another farrier that services our area, please nominate that farrier in the nominated farrier section on Page 4.

As part of our horse education process, your horse will become happy and confident in having his feet picked up and lightly rasped. If you would like your horse to have a full trim or be shod while on the premises we will organise this with our farrier.

Due to our rocky ground up here, we may also need to put shoes/front shoes on your horse to complete his ridden training here with us. We will contact you if this becomes necessary but if you're happy for us to go ahead without gaining your permission, please sign our permission slip on Page 4. If you would prefer your horse not to be shod if necessary, please discuss it with us as you may need to provide some work boots for him.

DENTISTRY INFORMATION

We use Dr Rachel Stone and Greg Taylor for all our dentistry work. We do ask that your horse have his teeth checked and treated before arrival if possible here, as this means that we can get on with your horses training with no delays. If you can't arrange this, we will organise our dentist to treat your horse, but please be aware that this can create a hold up in your horses education while we wait for an available dentist.

Watkins Horse Handlers

195 Gooch Rd,
Clackline WA 6564
Ph/Fax: (08) 9574 1929 Mob: 0427 345 528
Email: watkinshorsehandlers@iinet.net.au

Your horse will not commence any mouthing training until his teeth have been checked and, if necessary treated, so please give us at least two week's notice if your horse does need his teeth doing here to avoid delays. Please be sure to read and sign the section on Page 4 about dentistry information.

WET/INCLEMENT WEATHER POLICY

In the event of prolonged bad weather/rainfall which prevents daily training, agistment only fees will be charged (\$15 per day).
